WHY BW

MORE TIME WITH THE BALL. MORE CONFIDENCE IN THE GAME.

In large teams, young players don't always get enough chances to practise, make decisions and receive individual feedback. BW gives every player the space, attention and freedom they need to grow.

More touches on the ball

Personal feedback

Freedom to make decisions

Confidence to play

A complementary programme designed to support your child's club training.

PLAYER

Ball control, passing, dribbling, 1v1, finishing and aerial skills.

GAME

Scanning, body orientation, decision-making, cooperation and confidence.

Ball mastery ► Small-sided situations ► Possession games ► Real play

Technique becomes meaningful when players learn how and when to use it.
